

July 2026

Dear Friend of Children,

For many of the children and families we serve, something as basic as having enough nutritious food can be uncertain. Your partnership in **Fall Food Roundup** is vital in helping ensure that children have the meals they need to grow, learn, and look toward the future with hope.

This year's theme, — **Fill Their Plates. Feed Their Future.** — reminds us that providing nutritious meals does more than satisfy hunger—it lays a foundation for brighter tomorrows. Every can of food, every box of cereal, and every dollar given helps provide stability, security, and hope for children and families in need.

Fall Food Roundup contributions may include any commercially canned (no gallon size cans please) or processed foods, dry goods, paper products, toiletry items, cleaning supplies, and monetary gifts. Financial contributions received through the Roundup are used to purchase milk, bread, eggs, meat, and fresh produce needed throughout the year.

Our Roundup trucks will pick up groceries from **Monday, September 7, through Monday, October 5, 2026.** A schedule with dates and pick-up locations is enclosed. A specific needs list is provided on the back of this page. This information is also available at LBCH.org.

You will also find our 2026 Fall Food Roundup poster enclosed. We will be happy to send additional copies at no cost. Please call us at 318.343.2244 or email Sarah at sarah@lbch.org to order.

Thank you for demonstrating Christ's sacrificial love in such a practical and meaningful way. And please know how much we value your partnership in ministry. Because of your generosity, needs are being met, lives are being changed, and children are experiencing the love and hope of Christ every day.

With gratitude,

A handwritten signature in blue ink that reads "David Jeffreys".

David Jeffreys, Ph.D.
President & CEO
